¹ Where death occurs as a direct result of an Accident that occurs whilst the Life Insured is covered under the Policy and within 90 days of that Accident.
² Terminal Illness means the diagnosis, by a Medical Practitioner approved by us, of a Terminal Illness where life expectancy, after taking into account all reasonably available treatment, is 12 months or less.
³ Each of the Accidental Serious Injury conditions is defined within the glossary of the PDS and is subject to the exclusions outlined in the PDS. The Accident which caused the serious injury must occur whilst the Life Insured is covered under the Policy. The diagnosis of an Accidental Serious Injury must be confirmed by a Medical Practitioner, and the injury must have occurred within 12 months of the Accident. An Accidental Serious Injury benefit claim is payable once per Life Insured during the Policy.

Exclusions and limitations on your insurance Policy

The insurance Policy is subject to exclusions and limitations as explained in the PDS. It is important that you read the PDS to understand these exclusions. The following table provides a summary of when we will not pay a claim:

Benefit	Funeral Insurance Benefit	Accidental Serious Injury Benefit
When we will not pay	<p>We will not pay a Funeral Insurance Benefit if:</p> <ul style="list-style-type: none"> the Life Insured dies, other than due to an Accident, or is first diagnosed with a Terminal Illness, within 12 months of the Policy Acceptance Date or reinstatement date; or the Life Insured dies or is diagnosed with a Terminal Illness as a result of an intentional self-inflicted injury within 12 months of: <ul style="list-style-type: none"> the Policy Acceptance Date; or the date on which the Policy has been reinstated after it lapses. 	<p>We will not pay an Accidental Serious Injury Benefit if the Life Insured suffers an Accidental Serious Injury (as defined) as a direct result of:</p> <ul style="list-style-type: none"> an intentional self-inflicted bodily injury, suicide or attempted suicide; or engaging in any criminal activities or illegal acts; or the consumption of drugs (unless it was while following the direction of a Medical Practitioner and not in connection with treatment for substance abuse, drug addiction, or dependence); or the consumption of intoxicating liquor (including having a blood alcohol content over the prescribed legal limit whilst driving); or engaging in any professional sport (meaning the Life Insured's livelihood is substantially dependent on income received as a result of playing sport); or engaging in any motorsports as a rider, driver and/or passenger; or being a pilot or crew member of any aircraft, or engaging in any aerial activity except as a passenger in an aircraft operated by a licensed commercial airline; or war (whether declared or not) or war-like activity, or taking part in a riot or civil commotion.

Other important information

There is no investment or savings component to your Policy which means that when your Policy ends, you are not entitled to any of the premiums you have paid.

The total amount of premiums payable over the life of the Policy has the potential to exceed the cover amount.

If your premium remains unpaid for more than one month from when it is due, your Policy will be cancelled. Prior to cancelling your Policy we will notify you in writing before taking steps to end your Policy due to non-payment. If you are suffering from financial hardship, we may be able to assist you to keep your Policy. Please contact us to discuss your options. Note, we may seek evidence to verify any hardship.

How your beneficiaries can make a claim

Beneficiaries can lodge a claim by contacting us on **1300 308 578** (Monday to Friday between 8am and 8pm AEST). There will be some forms to fill out and documents that we need access to, but our friendly claims team will assist beneficiaries through this process. For more information on claiming, please refer to our website at guardianinsurance.com.au

What can be done to ensure any claim is paid quickly and smoothly

There are a number of things that can be done to assist us in ensuring a claim is paid quickly:

- Lodge your claim as soon as possible;
- Appoint a beneficiary under the Policy – this ensures we have someone who we can immediately discuss the claim with;
- Inform your beneficiary of the Policy – this will ensure the beneficiary knows to contact us when the time comes;
- Consider appointing a trusted third-party authority – particularly as you age, you may need help in managing your affairs and having an additional authority significantly reduces the likelihood that you will miss payments on your Policy; and
- Make a will – as part of the process of making a will you will need to appoint a legal executor who can ensure we can access all the relevant documentation we need to approve a claim. We provide you with a standard will kit as part of taking out cover.

If you don't nominate a beneficiary, benefits will be available to your estate which will then need to be settled through your financial institution's deceased estate process. By nominating a beneficiary, benefits can be paid directly into the beneficiary's bank account in a far timelier manner.
