How your beneficiaries can make a claim

Beneficiaries can lodge a claim by contacting us on **1300 308 578** (Monday to Friday between 8am and 8pm AEST). There will be some forms to fill out and documents that we need access to, but our friendly claims team will assist beneficiaries through this process. For more information on claiming, please refer to our website at guardianinsurance.com.au

What can be done to ensure any claim is paid quickly and smoothly?

There are a number of things that can be done to assist us in ensuring a claim is paid quickly:

- Lodge your claim as soon as possible;
- Appoint a beneficiary under the Policy – this ensures we have someone who we can immediately discuss the claim with;
- Inform your beneficiary of the Policy – this will ensure the beneficiary knows to contact us when the time comes;
- Consider appointing a trusted third-party authority – particularly as you age, you may need help in managing your affairs and having an additional authority significantly reduces the likelihood that you will miss payments on your Policy; and
- Make a will – as part of the process of making a will you will need to appoint a legal executor who can ensure we can access all the relevant documentation we need to approve a claim. We provide you with a standard will kit as part of taking out cover.

If you don't nominate a beneficiary, benefits will be available to your estate which will then need to be settled through your financial institution's deceased estate process. By nominating a beneficiary, benefits can be paid directly into the beneficiary's bank account in a far timelier manner.
