Guardian Income Protection Accident Only Insurance offers a number of insurance combinations to suit your needs – Guardian Income Protection Accident Only Insurance and extra optional benefits as explained below.

Guardian Income Protection Accident Only Insurance pays an Income Benefit if you are unable to work due to a Disabling Injury for longer than your chosen Waiting Period. With your Guardian Income Protection Accident Only Insurance, you get:

These optional benefits, their exclusions and limitations, and other related terms and conditions, are explained in the PDS.

Key medical definitions

Disability/Disabled/Disabling Injury means due to an Injury occurring after the Acceptance Date, you are:

- unable to perform the usual duties of your Regular Occupation necessary to produce income;
- under regular care in relation to your Injury for which you are claiming;
- suffering a loss of income; and
- not engaged in your Regular Occupation or any other gainful occupation.

Waiting Period

Your Income Benefit is subject to either a 30-day or 90-day Waiting Period, as selected by you. The Waiting Period is shown on your Policy Schedule, and is a period for which you must be Disabled before you are entitled to an Income Benefit, i.e. no Income Benefit is payable during this period. Income Benefits are then paid monthly in arrears.

Benefit Period

The Benefit Period is the maximum length of time that we will pay the Income Benefit for the same or related Disability. You may apply for six months, one year, two years or five years. The Benefit Period will be shown on your Policy Schedule.

Premium structure

Your premium is a stepped premium, which means that it will increase each year as you age. Your premium is calculated at each Policy Anniversary and is based on:

- your age, gender and smoking status at that time;
- the Monthly Amount Insured;
- the Benefit Period;
- the Waiting Period; and
- various factors which may affect the premium rating such as the state of your health, family history, occupation and participation in hazardous activities.

Exclusions and limitations on your Policy

Your Policy is subject to a number of exclusions and limitations explained in the PDS. It is important you read the PDS to understand these exclusions.

Under your Income Accident Only Benefit, your Policy does not cover a claim for any event occurring directly or indirectly as a result of:

- an intentional self-inflicted act;
- attempted suicide;
- the consumption of drugs (unless it was under the direction of a Medical Practitioner and not in connection with treatment for substance abuse, drug addiction or dependence);
- the consumption of intoxicating liquor, including having a blood alcohol content over the prescribed legal limit whilst driving;
- war (whether declared or not) or war-like activity, or taking part in a riot or civil commotion; or
- engaging in any criminal activities or illegal acts.

Your monthly Income Benefit will be reduced by any Other Payments you receive.

Ending your Policy

If you wish to cancel your Policy and/or optional benefits, please send a written request providing your instruction to cancel along with your full name and Policy number. Your Policy will automatically end on the Policy Anniversary following your 65th birthday, unless it is validly cancelled at an earlier date.

Do you get a refund of premiums when you end your Policy?

If you choose to end your Policy during the 30-day cooling off period and you have not made a claim, we will provide a full refund of any premiums you have paid. If you end your Policy after this date, you will not be entitled to any refund of premiums.

What happens if you stop paying your premium?

If you stop paying your premium, your Policy will be cancelled and you will not be entitled to any refund of premiums you have paid. We will notify you in writing in advance before taking steps to end your Policy due to non-payment.
